Be used to end war() I never wanted to join

→ I went to court with Steve, being my attorney and
he let his prosecutor know his wife just wanted
to see. I hope you remember that Status Conference (2017)
and Steve is a witness to what I confessed to, Now that
I'm here in Grady County Jail, OK CHICKASHA, PO Box 73018
they said I'm here for Breaking cameras after putting me in
restraint chair & flying me back from Butner (North Carolina)
I see a Watch Tour button that looks like an emergency

Looking to make hijrah to Balad ASH-SHAM
 (Key 1) (Key Box 1)

I really need to speak to a sexy HOT Linguist
 for my legal case. Emergency. (add her for
 my own Confidentiality)

I'm not what they say or THINK I am,
 [not a kidnapper, Law enforcement or the like
 (politicians, anything group related that doesn't
 deal with Independancy)]

Please don't have whoever try to put something on me b/c
 of their own personal experience, or whatever issues of
 their own individual self & have my voice not above
 theirs (Coercion; look at my mental health records & the audio(s)
 of the F.B.I; Joe Rudnick : Homeland Security)

TOM

The 2 audio(s) are the only evidence they should of
 try me on. My paralegal looked through other Confidential
information that has nothing to do with my case
 except for the contents inside PARVEG AHMED
 phone where I think Joe Rudnick-FBI tried to
believe that my PLAN : Intent Started from U.S.
Territory

I'm born
LEFTY
(hand writing
is off.)

(PRAISE TO GOD, Gracious, Merciful)

To Muslim(s) in Islam, The Gracious means to all people
& Merciful means to specifally Muslims i.e. ME.

In the Quran (Arabic; Bible) there are 99 names
of GOD and something with the 1 and whoever
understands them enters "PARADISE"

Like I said in Jordan, Amman; I let F.B.I, Joe RUDNICK
know I'm here for Misunderstanding of word. My MOTION (non-
legal term) was to IRBID, Jordan which is a different direction from
PARVEG AHMED. MY evidence is different than his, and it
graciously mentions it on his smart phone, [I have no smart phone]
which I sent to you with what the Doctor heard me say.
May I request my legal documents and show you it through Computer
because in MDC Brooklyn I couldn't do much but make the paper
trail of what really happend in Jordan with my conspirator
11/16/22 incident report (please send me a copy for legal case)

If I'm hearing a whisper in a hotel in Jordan, Amman at
the reception by someone because the receptionist wore a certain
dress; clothes and looking at a American passport of me, that shouldn't
have him bring me with him and his views of how she should
dress, look, talk, etc. The same applies to the people that
indicted me for these charges I have to hold YOU & ME
Accountable (Double Jepeardy). This is why I need a
SEXY HOT LOOKING Linguist for my case; maybe outside
to talk about "my" SNAPCHAT ACCOUNT, That they don't understand

SUNDAY 4/24/22

THE Life RECOVERY 2nd Edition Bible [NLT]

I've seen a CHINEESE Bible flying to me and I caught it. Then I seen a heart and a Broken heart out the window [DARK].

Could you let them know everybody sees things differently everyone is not like me.
(Severance)

I swear by the penalty of perjury that this statement is True.

[Joe Rudnick]

I DONT have a Degree in ENGLISH or Spanish I'm not a MARSHALL

Because the F.B.I didn't believe me when I SAID, IT IS JUST A MISUNDERSTANDING OF WORD in Jordan, Amman everything got complicated.

he wanted to prove it & then mentioned his girlfriend.
STEVE Zissou is Terrible for Keeping me here like this after I repeatedly let him know the TRUTH.

I want a hot looking linguist on my legal team because every word I hear now is getting me aggravated and I'll end up catching another case on top of the one I have now. My conspiror; AHMED or the Jordanian investigator that kidnapped me. Steve & RON are suppose to help me find the people like AHMED and of his like ~~far away~~ ^{My temper did this} because I have proof based on legal grounds to kill (execute), the whole 1st Amendment mentions it to him and people like him or her. Please take me seriously, it's not you, I even showed proof of IRBID JORDAN TOURISM in Black & White, with what the search warrant said that matches the evidence of ONLY ME. MY PARALEgal isn't doing anything to apply any type of law for my release which is trying to put embarrassment on you and me both. Can you help me find the proper legal term(s) that matches what I'm trying to say since your a lawyer and prosecutor. (double jepeordy). When I'm trying to be independant some pussy (doctor term) tries to get me to be like them that's why I can't just look someone up randomly and always use technology. I want visits every day (contact visits) why is it I'm going & them not coming.
